

DELHI PUBLIC SCHOOL, GBN

CLASSES- DAY CARE to XII

DPS/GBN/CIR 2373

Date: 16.12.2020

Dear Parent,

Greetings!

In the light of the unrelenting circumstances owing to the pandemic, the School Management has decided to further extend a 40% special reduction in the Annual Charges for the 4th Quarter (January to March, 2021) of the Academic Year 2020-21.

As we adapt to these new realities and prepare for possible unknowns that lie ahead, we will continue to take a thoughtful approach for the benefit of all, however, it is important to note that if at any stage, State/Central Government or the Hon'ble Court orders for re-opening of the Schools, the rebate offered during this Quarter would be adjusted proportionately. In addition, if the Government announces any concession, the School would appropriately adjust considering the amount already offered by way of special reduction.

The School continues to recognize and acknowledge the tribulations experienced by the Parents and is committed to extend its support through this gesture.

Regards,
