BLUE DAY CELEBRATION

Recognizing the colours and identifying their names is an important part of a child's congenital development, as it helps to create the link between visual clues and words. Blue signifies the beauty of the sky and sea. It symbolizes trust, loyalty, wisdom, confidence, and intelligence with depth and stability. In order to emphasize the importance of the Colour Blue, DPS, GBN conducted the 'Blue Day' for Daycare children on 17th August, 2022. The children came dressed in different hues of Blue and enjoyed a plethora of activities. Show and Tell Activity was conducted wherein our little ones brought their favourite Blue colour toys, and objects and spoke a few sentences about them. A Fun Activity was also planned for them wherein they painted the paper plates blue and pasted fishes on them to create their own tiny aquarium. Children enjoyed the activities with immense enthusiasm and zeal.

VISIT TO A GARDEN

A visit to a beautiful garden always creates extraordinary memories. A visit to a garden or a park is quite refreshing and educative as it is a place of beauty and joy. DPS, GBN initiated a Garden Visit for Daycare children on 23rd August, 2022 for enforcement of letter **G**. Keeping in mind the post Covid conditions and in order to provide the children a safe and healthy environment, they were taken to the School's Garden inside the campus. They enjoyed the beauty and learnt about the different flowers and plants. They were astonished to see the colorful butterflies hovering over the flowers and were mesmerized by the melodies of birds. They experienced fresh air, beautiful lush green grass and enjoyed the swings and slides. The visit to the Garden became a memorable, enjoyable and beautiful experience for them.

MONSOON SEASON

Monsoon season is the most beautiful season of the year; it is like a gift of God to mankind. It revives our souls and fills the surroundings with the beauty of fresh greenery. It's a great time to introduce the theme of weather and seasons to the students and it makes the School's environment light and mesmerizing for the tiny tots.
