## National Heroes- The real pride of India

On the occasion of 75<sup>th</sup> Independence Day, the Students of Grades I-II of DPS, GBN celebrated 'Heritage Week', with a great sense of pride and patriotism, to honour our National Heroes. Keeping Sustainable Development Goal 16 (Peace, Justice & Strong Institutions) in mind, the celebration began by paying tribute to our National Heroes and famous personalities, who brought peace, justice, harmony and contributed towards the growth and prosperity of our country. The Students donned the look of their favourite National Hero and threw light on the sacrifices made by them in order to bring the needful change. It was a successful two-day event where an active participation was seen among our little Dipsites. To add to the celebration, a 'Tri-colour Band Making' activity was also organized to honour our National Flag and to infuse a sense of pride among the students. The spirit of the festival was indeed visible on the faces of our children.

## The Brush Hour

*“Art is as natural as sunshine and as vital as nourishment” -Mary Ann F. Kohl*

We at DPS GBN, nurture our Students in the best possible manner leaving no stone unturned. Keeping the same in mind, Students of Grades I and II had an exhilarating theme for the month of August for WE- 'Brush Hour'. Our Young Learners participated in a plethora of activities under this theme. The first activity made them aware about Primary and Secondary colours. In another activity, Students enjoyed Leaf Painting, in which they made colourful butterflies and cherries. They also made magnificent paintings using different vegetables and enjoyed Finger and Thumb printing to create a Garden Scene. These activities brought smiles to each child's face and was successful as it made our children learn many art forms in different and unique ways. Young Dipsites created masterpieces by showcasing their talent and made us proud with their ingenuity and creativity.

## Friends Forever

It has been truly said that friendship adds vibrancy, fun element and liveliness to our life. A strong bond which is not shared by the same blood, yet the purest form of love one has ever known is what you call - Friendship. We at DPS, GBN believe in the same and always celebrate such special days. Students of Grades 1 and 2 celebrated Friendship Day – the strongest human relationship on 8<sup>th</sup> August, 2022. The young artists of Grade 1 enjoyed making a beautiful drawing on Friendship day, while Grade 2 children expressed their fondness to their buddies by making special Friendship bands using eco-friendly materials.

It was a delight to see our Young Dipsites making the thread of love and string the beads together to make their confidante feel extra special. The day was filled with great joy and happiness.
