We would like to apprise you of the school's reopening strategy:

- Each day 50% of total student strength shall be present in school
- Classes will be held from Monday to Saturday
- Online classes will be held for extracurricular activities on alternate days
- School buses shall ply on prescribed routes

The detailed weekly schedule and time-table will be shared shortly. Attached with this circular are the **RFID form and Transport form** with information link for bus routes (<https://www.dpsgbn.com/circularsDetails.php?id=33>), which you need to fill and send latest by **February 18, 2021**, for smooth functioning.

The school shall **follow all SOPs** as directed by the State Authorities and following the same, we request you to fill the **Confirmation and Self Declaration Form** attached here.

We look forward to welcoming your ward to the School!
